Food Forest Planting
Sunday April 22nd
9:00am - 1:00pm

Dear Volunteer,

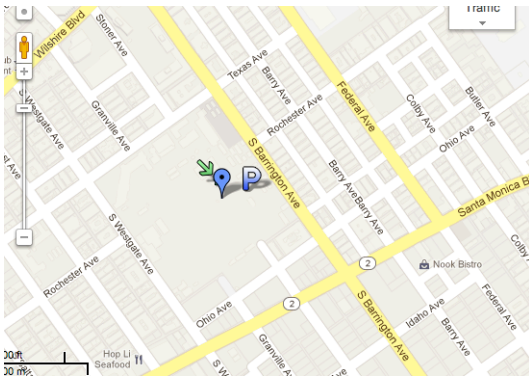

The School of Health and Environmental Sciences at University High School is excited that you will be helping us plant our Food Forest **Sunday April 22nd from 9-1:00pm**. Please arrive by 9am so you can meet your action team. We will provide snacks and refreshments.

To be adequately prepared, please bring the following.

- Hat
- Water bottle
- Work boots or shoes that you are okay with getting dirty
- Sunscreen

If you have access to the following please bring them.

- Work Gloves
- Shovel or other garden tools

Directions

Our parking lot is located on the 1400 block of Barrington Ave. It's the middle parking lot.

The arrow on the map points to the area of campus we will be working on.

Call 424-250-0698 for more information.

University is also having our school-wide Open House showcasing the best of Uni for parents and our community **Thursday April 26th from 5-7pm**. The School of Health and Environmental Sciences is also hosting our Fourth Annual Health and Fitness Fair during this time in the East Gym. Local health professionals, education providers, businesses and non-profit organizations will be hosting free informational booths. Our Food Science students will be preparing fresh healthy food tastings for you to try. Students will be giving Garden and Food Forest Tours throughout the evening.

We look forward to seeing you on the 22nd and hope you can check out our Open House and Health Fair.

Sincerely,

Kerri Eich
